*The Safal Niveshak Mastermind* is a one-year self-study course to help you reinvent how you invest, do work that matters, and create your financial freedom.

## If You Want to...

- Take control of your financial life but don't know how to do it
- Make your money work hard for you by learning how to invest sensibly
- Do the work you love to do and still live with high financial security
- Make a dent in the universe by doing something meaningful for others

...join me, Vishal Khandelwal, as I take you behind the scenes for a closer look and a deeper education on how you can manage your money and earn a living without having to slog for years.

The goal of *The Safal Niveshak Mastermind* course is simple – To help you get richer every single day.

## What You'll Get by Joining...

1. **Premium Course in Value Investing:** You will receive deep learning in Value Investing and how you can apply it to create long-term wealth through stock investing.
2. **Course: Turn Your Passion into Paycheque:** Here, you will learn the step-by-step method of turning your passion into a regular stream of money – or an alternative source of income – so that you can do what you love to do, and not be worried anymore about someone else deciding your financial life and future.
3. **Special E-Books, Excel Workbooks, and Videos:** You will also receive special e-books, excel workbooks, and videos...all with the view of enhancing your learning in investing, personal finance, and turning your passion into lifelong earning.
